New Intake Information Evening – Thursday 23rd June 2022

Dear Parent / Carer,

Due to limited capacity in our new school hall, please could we kindly ask for ONE parent/carer per student to attend the information evening where possible. It will very much help us to ensure safe seating for all.

We understand where this might not be possible due to family circumstances but would also remind parents and carers that students should NOT attend.

Thank you for your co-operation.

Nicola Afteni

Assistant Headteacher
