Headteacher's Newsletter

Dear Parents/Carers,

As we celebrated International Women's Day last week, I was filled with immense pride and joy to acknowledge the remarkable achievements and contributions of women around the globe. As a school, we took a moment to think about the resilience, strength, and unwavering spirit of women who have played pivotal roles in shaping our world.

International Women's Day serves as a reminder of the progress we have made towards gender equity and the work which still lies ahead. At Hall Mead, we recognise the importance of gender equity and empowerment. We are committed to providing our students with an inclusive and supportive environment where everyone is afforded equitable opportunities to thrive and succeed.

As a school community, we recognise it is crucial to instil in our students the values of respect, equality, and empathy from a young age. By educating our students about the accomplishments of women throughout history and inspiring them to break gender stereotypes, we empower them to become compassionate and responsible global citizens.

Throughout last week, Ms Hallett, Assistant Headteacher, organised a number of workshops and seminars which celebrated the achievements of women from our local community, some of whom attended Hall Mead themselves, in various fields, including science, literature, politics, sports, and the arts.

We honoured them as trailblazers who have shattered glass ceilings and paved the way for future generations.

We also acknowledge the countless unsung heroines whose contributions have made a significant impact on their communities and the world at large.

As educators, I believe it is our responsibility to cultivate an inclusive learning environment that encourages students to challenge stereotypes and embrace diversity. By fostering open dialogue and promoting mutual respect, we can create a more equitable society where everyone has the opportunity to thrive regardless of gender.

I encourage all members of our school community to take this opportunity to reflect on the achievements of women and to pledge our continued commitment to gender equity. Let us work together to create a future where every individual, regardless of gender, has the opportunity to fulfil their potential and make a positive difference in the world.

Thanks again.

Miss Ducker

Important Dates

Just a reminder of the upcoming events for next week:

- Monday 18th March—Year 9 Holocaust Survivor Talk
- Monday 18th March—Years 7 and 11 Panoramic Photographs
- Monday 18th March—Thursday 28th March—Year 10 PPEs
- Thursday 21st March—Year 11 Art exam
- Thursday 21st March - We are taking part in an initiative involving Havering secondary schools, the Metropolitan Police and a Drugs Dog unit working together to demonstrate our collaborative and ongoing work to keep our students and community safe. The units will be on site as students leave school at the end of the day.

IWD—Girls' Football

Mr Mor and Mr Cobos

A huge thank you must go to Mr Mor and Mr Cobos for arranging a football session at lunchtime for girls on IWD Day! It was the biggest turnout of female footballers! Thank you to both teachers for giving up their precious lunchbreak to make this happen!

Miss James, Director of English Faculty

On 6th March 2024, we welcomed the 'Quantum Theatre Company' to perform a production of the English Literature GCSE text 'Jekyll and Hyde' to top set Year 11 pupils.

The play was fantastic and the pupils were an excellent audience.

Some feedback from our pupils:

"It helped me remember quotations that I didn't already have in my repertoire"

"The acting was good and I loved the dark setting of the play and the background music which added to the mysteriousness"

"It was an engaging way to revise the novel"

"10/10! Amazing! Loved the way the actors were able to portray the multiple characters"

[Worried About County Lines?](#)
[Need to know more about this?](#)

[What's County Lines?](#)

[County Lines](#)

County Lines is where illegal drugs are transported from one area to another, often across police and local authority boundaries (although not exclusively), usually by children or vulnerable people who are coerced into it by gangs. The 'County Line' is the mobile phone line used to take the orders of drugs. Importing areas (areas where the drugs are taken to) are reporting increased levels of violence and weapons-related crimes as a result of this trend.

Please see below a link for a County Lines parent/carer webinar session taking place on Monday 25th March 2024 from 5-6.30pm.

This session will be for **parents/carers only** who would like to know more about County Lines and Criminal Exploitation and the support offered.

Mrs Fanning's Golden moments

This week we are delighted to celebrate some truly outstanding - and upstanding - members of our student community.

Golden wristband awards

We want to congratulate two Year 7 students on some phenomenal work!

Katie S in 7DC and Ronnie P in 7DR have each amassed more than 215 achievement points already this year. They have also not picked up a single behaviour point.

Well done Katie and Ronnie - you are both shining examples of 'The Hall Mead Way' and we can't wait to see what you have achieved by the end of the year!

Golden Time!

We also were able to celebrate the collective achievements of 7DC by awarding them Golden Time on Monday. They have amassed well over 4000 achievement points as a form so far this year, storming ahead of the totals of other forms. We are very proud of your ability to work together so effectively and support one other so kindly. Well done!

Design and Technology Faculty

On Wednesday 28th February, our Year 10 Design and Technology students had the opportunity to visit the Design Museum in London. Whilst we were there, students were involved in a hands on design workshop on the theme 'Stranger by Design.'

They got to handle a range of iconic designs, including the famous Juicy Salif by Philippe Stark. Our students impressed us with their creativity when responding to a design brief, designing new ideas for an individual user on the spot! This involved lots of quick thinking and problem solving!

Whilst at the Design Museum, students also had time to explore the permanent collection ranging from architecture, fashion, textiles and many iconic designs.

A particular favourite was the advancements in technology over time with products ranging from the classic Walkman to today's Apple products. All of our students made us proud with their exemplary behaviour and curiosity of the exhibits. They all came back with a range of studies and real life links to upcoming examination topics such as planned obsolescence and metal casting!

A special thanks must go to Miss Read, Miss Stubbings, Mr Bamber and Mr Ducker (our chief navigator!) for all of their support in making the day one to remember!

Year 11 PLC Citizenship Class

On Thursday 13th March, I was invited to attend a Year 11 Citizenship lesson in the PLC. I was welcomed in the kindest way by Omar offering me a cup of tea and some biscuits.

When I arrived at the classroom, I was shown my seat where some flowers and a pamphlet was ready for me.

The class then pitched to me their idea for Hall Mead School to participate in the 'Great British Spring Clean'. If you haven't heard about what this is, please check out this webpage: [Great British Spring Clean | Keep Britain Tidy](#).

The class would like to organise a special event in which students help to remove any litter from the school site and join the army of amazing #LitterHeroes. I thought that their presentation was thoughtful, professional and well-thought out and I would definitely like to support their project.

Watch out for what happens next!
