

28th March 2024

Headteacher's Newsletter

Dear Parents/Carers,

I wanted to close this Spring Term by acknowledging the hard work and efforts of all of our school staff.

I feel very lucky to work in a school where everyone is so invested in making Hall Mead the best place it can be, especially at a time when the UK is experiencing a recruitment crisis in education.

Printed newspapers and online platforms are filled with stories regarding education and the challenges which schools are facing. In fact, last year almost 9% (approximately 40000) of the workforce left their teaching roles before their retirement so it is even more important for us to retain high quality teachers who want to do the best for your children.

Our teachers' commitment to the students is most notably seen in the upcoming Easter revision programme which Assistant Headteacher Mr Leslie has organised for our Year 11 students to take place.

So many staff are giving up part of their holiday time to offer additional support and intervention to our students who are just a matter of weeks away from their important GCSEs. They do this without receiving any additional payment for doing so just wanting to give this time to help our students, your children, in the last few steps of their secondary journey.

For that, I cannot thank them enough and I know that our Year 11 students will appreciate their efforts.

If you are the parent of a Year 11 student, please check out the extensive programme staff on offer which is contained in this newsletter.

Finally, I would like to close by wishing everyone a wonderful Easter and a great break. We will look forward to opening our gates again on Monday 15th April 2024 to welcome your children for their Summer Term. It looks to be a fantastic term packed full with lots of fun and exciting experiences!

Thanks again.

Miss Ducker
Headteacher

Sweating the Small Stuff—Preparing for the New Summer Term

After Easter, we will embark upon our final term together filled with lots of opportunities for growth and learning. To remove any distractions or lost learning time, we will continue our approach of **'sweating the small stuff'** to ensure that we maintain our outstanding standards.

Over this break, please can we ask that you consider two vital aspects of our students' school experience: uniform standards and the significance of having the necessary equipment.

We uphold high standards in all aspects of our students' education, and this includes their appearance. A smart and consistent uniform not only fosters a sense of belonging and pride in our school community but also helps to promote discipline and professionalism among our students. We believe that maintaining a neat and tidy appearance is crucial in preparing our students for the expectations they will encounter in the wider world.

As Headteacher, it is my responsibility to ensure that our uniform policy is adhered to consistently across all year groups. I kindly request your cooperation in supporting us with this endeavour by ensuring that your child arrives at school each day dressed in the correct uniform. This includes wearing the appropriate attire such as blazers, ties, skirts, trousers, and footwear as outlined in our school uniform policy.

Equally important to a student's success is having the right tools for learning. From textbooks to stationery, highlighters to calculators, having access to the necessary equipment plays a significant role in facilitating effective teaching and learning experiences. As we continue to strive for academic excellence, it is imperative that every student comes to school prepared with the required equipment for their lessons.

Please can you ensure that your child packs their school bag with all the essential items needed for the day ahead. Encourage them to check their timetables and pack their bags accordingly, taking into account any specific requirements for each lesson. This simple habit can greatly contribute to their academic progress and overall well-being.

If you have any questions or concerns regarding uniform standards or equipment, please do not hesitate to contact your child's Form Tutor or Head of Year.

Easter Masterclasses—Year 11

Please find below the schedule for the additional revision sessions staff are offering to Year 11 students during the Easter Holidays.

These sessions should be **in addition** to their own independent revision schedule which they are following outside of school.

To ensure that the sessions run efficiently, please provide your child with a packed lunch and enough drinks to get through the day and check that they have on them the equipment that they will need for the session.

Easter Masterclasses

Work Experience—Year 10

Here are our top tips for our Year 10 students who will be embarking on their Work Experience programme immediately after Easter:

Things you need to think about before you start:

- ⇒ You know what time you start and finish
- ⇒ You know how to get there (consider travel costs and time to get there)
- ⇒ You know what to wear (if you are unsure, ask!)
- ⇒ What are the lunch arrangements, do you have to bring your own?

We hope everyone has the most amazing experience!

SCHOOL

Staff Ofsted Celebration

Jaxons

On Friday 22nd March, our Hall Mead staff were finally able to celebrate our Ofsted outstanding rating and did so in style at Jaxons! We danced the night away and really enjoyed spending some much needed downtime time with each other.

It was a fantastic evening hosted at a beautiful venue. If you don't know it, Jaxons is a luxury location situated on the picturesque golf course in Cranham. We would definitely recommend it as a venue!

Thank you to Jaxons for hosting our special celebrations!

HALL MEAD
SCHOOL

Special Mention

Year 7 Student

Mr Ducker would like to give an extra special mention to Katie in Year 7 for her outstanding work on her Block Bot in DT! Well done Katie!

Design and Technology Faculty

Our Year 9 students have been studying the work of Aljoud Lootah. Aljoud Lootah is one of Dubai's leading designers, creating work that embraces traditional Emirati silhouettes and injects them with modern elements and geometric lines and shapes.

Year 9 have explored a wide range of her designs and products and we have researched the wider influences that have been inspired by her heritage and culture. We have looked at Sadu Weaving and Yarooof fishing and have been able to see and understand the connections between those traditional disciplines and the work of Aljoud Lootah.

We challenged our Year 9's with designing and making a chair inspired by Aljoud Lootah. They studied a range of different imagery and were able to take inspiration from these to generate their own original ideas. Our students have impressed us with their designing, modelling and making of their final prototype and were able to apply their previous learning to work independently and safely in the workshops to create high quality final outcomes.

We are very proud to share a selection of their work with you. Well done Year 9!

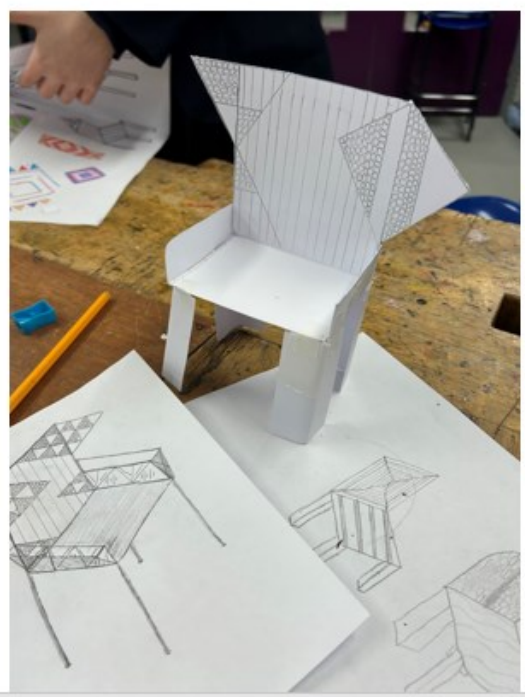

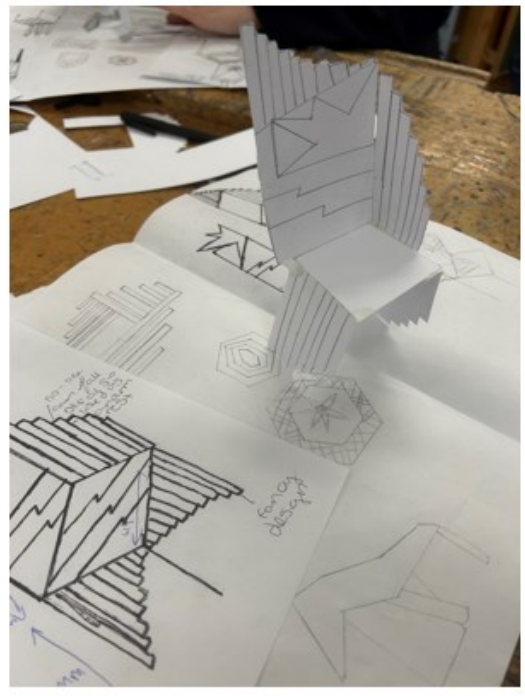

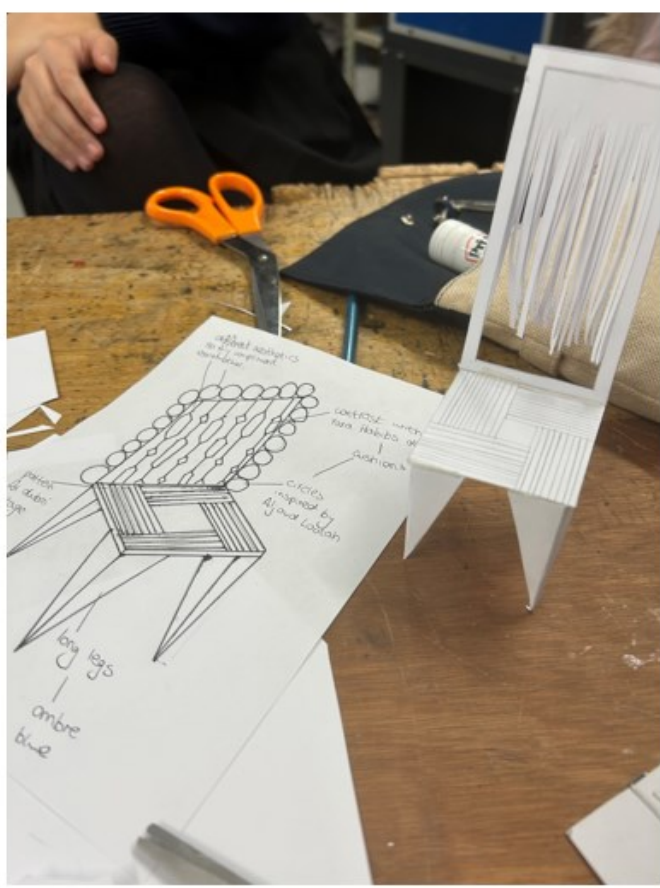

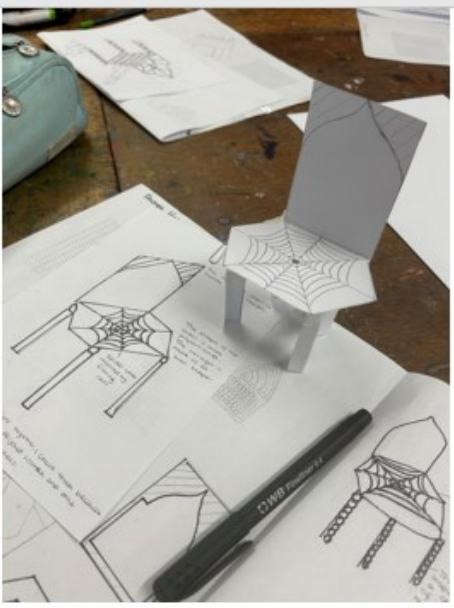

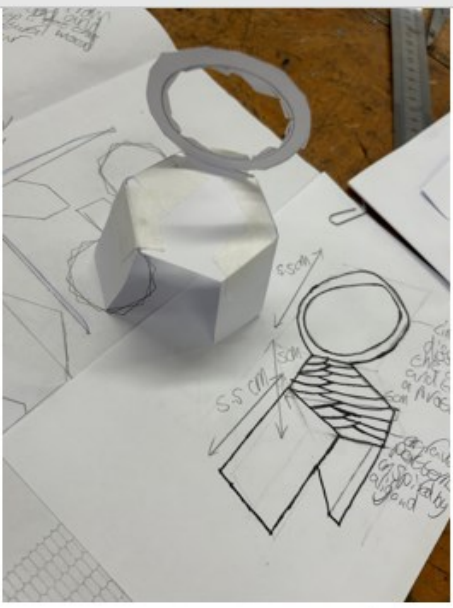

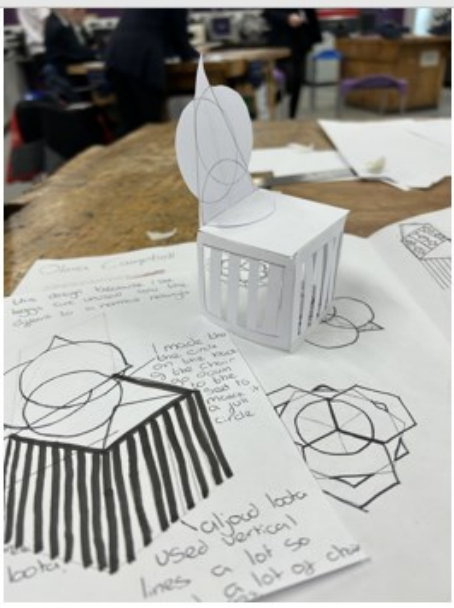

Miss Lloyd.

Sporting Successes

Under 13s Girls' Cricket Team

Congratulations to our U13 Girls' Cricket Team.

The girls played exceptionally during the group stages of the Essex Indoor Cricket competition, winning their 3 games.

This meant they progressed to the County finals, which took place at the Sportsdock at the University of East London.

The girls were fantastic and held their own in their two games, but unfortunately lost, but some outstanding performances throughout the whole tournament.

Special shout-out to Maisie our captain who batted and bowled exceptionally and to Izzy for supporting Mrs Morgan on the day and for giving up her lunch breaks to support/coach the girls over the last three months.

Well done to all the girls, we are super proud of you and cannot wait to see what the summer season brings!

HALL MEAD
SCHOOL

Sporting Successes

Isabelle P, County Football

We are delighted to share that on 24th March Izzy's county football team won against Norfolk! The final score was 5-1!

This amazing victory means that they are topping the table as they are undefeated.

The next fixture will be against Surrey on 21st April.

We wish Izzy and her team the very best of luck!

Personalised Learning Award

This week's 'Personalised Learning Award' goes to Jack!

Jack has moved into a new group this term and has adjusted very well!

He has been working extremely hard in all of lessons and especially PE!

He has displayed our school values in his attitude to his work and his classmates.

He has shown great respect to others and excellent teamwork!

Well done Jack!

Sporting Successes—Girls' Football!

On Thursday 22nd March, some of the Year 7 Hall Mead Girls Football Team took part in a Year 7 only tournament at Bower Park.

There were six matches scheduled and the Hall Mead year 7 girls team did a fantastic job.

We are all so proud of them and we are looking forward to the next tournament next season!

The results were as follows:

- ⇒ **Hall Mead 0-0 Bower Park**
- ⇒ **Sanders 0-0 Hall Mead**
- ⇒ **Hall Mead 0-1 Bower Park**
- ⇒ **Frances Bardsley 0-1 Hall Mead**
- ⇒ **Sanders 2-0 Hall Mead**
- ⇒ **Marshalls Park 1-0 Hall Mead**

Sporting Successes

Mr Sammons

On Friday 22nd March, the Year 8 football team headed over to Hornchurch High, winning 10-0. Goals from a lot of players but Finley T was the pick of the goal scorers with 3 goals.

The Year 8 team have their final game in the groups stage against Sanders this week. A win will see them secure their place in the semi-finals, where I believe we will play Emerson park, the team we lost to in the final of the Year 7 competition last year.

The Year 7 team played their final game in the group stage on Tuesday 26th March against Marshalls Park.

The score ended 8-1 with Ethan L earning MOM for his 4 goals. This win means the Year 7 team are unbeaten in the group stage and will now play Sanders in the semi-final, which has been scheduled for Tuesday 16th April at Hall Mead.

Overall, the Year 7, 8, 10 and 11 football teams have made the semi final stage.

This is a great achievement by the boys and fingers crossed we can have a few finalists this year!

Special Sparx Shoutouts!

These are our highest XP earning students for the Spring term! The top student from each year will be receiving a special prize in form time! Congratulations to everyone!
