Dear Parent/Carer,

We are pleased to learn that your child will be coming to Hall Mead School in September. Each year, we look forward to welcoming our new students to the Academy and trust that they will enjoy and benefit from their time here. We hope that they will help maintain the high standards of which the Academy is proud. Your child will be able to enjoy our excellent facilities in our new school building.

We would like to invite parents/carers to attend a 'New Intake Information Evening' on **Thursday 27th June 2024**. There will be further details to follow nearer the time. You will have the opportunity to meet your child's form tutor during the evening and to ask questions about the life and work of the Academy, its organisation, subjects, etc.

Our new intake students will be invited to attend an induction day at Hall Mead during the week beginning **Monday 24th June**. This will allow our prospective students to familiarise themselves with the Academy before they join us in September.

We are keen to engage our new students and to familiarise them with the school setting and would encourage parents to follow us on the links below:

@hallmead (Twitter account)

@HallMeadPastor1 (Pastoral account)

We will share information and messages about the year ahead and the Academy itself. Please also use our 'New Intake' area of our school website for regular information – **New Intake 2024 – Hall Mead School**

We have enclosed a letter for each student welcoming them to Hall Mead School. There is also a 'Student Induction Booklet' which provides information about life at Hall Mead School. I would like our new intake students to ask three questions about the school that they would like answered; the link details are included in our student welcome letter.

We would be grateful if you would complete our '**New Intake Information Form**' by following the link below, as soon as possible but no later than **Monday 6th May 2024**.
