

## Headteacher's Newsletter

#### 26th April 2024

Dear Parents/Carers,

This week, I had the pleasure of delivering assemblies to Years 8, 9 and 11 year groups. In all the assemblies, I spoke to students, not only about the importance of the exams that they have to sit at the end of Year 11, but also about the importance of their own personal development. I posed questions to them such as '**who do you want to be?**' and '**what values do you have?**'. I also shared with students how making **1% changes** can make such a difference over time and that we all must invest as much in what type of person we are, as which qualifications we are able to put on our C.V.

In terms of our Year 11s, this has been an incredibly important week! Our Head of Food Technology Department, Mrs Robertson, has been busy hosting the Year 11 Food Practical exams. She has worked so hard to support her class in securing the best grades possible for the practical element of their course. I have been blown away with the sophistication, technical precision and quality of the dishes which have been prepared. I enjoyed receiving a Tupperware dish of food from Year 11 student Michael P on Monday at the end of school. I certainly enjoyed it for my dinner! I did want to say how very fortunate we are to have such a dedicated new member of staff as Mrs Robertson who has encouraged, motivated and inspired the students to all to **beat their best**. Mrs Robertson only joined us in September and is already such a special part of our Hall Mead family.

A big thank you must go to the Spanish Department who hosted all the Year 11 speaking exams last week. It is a huge undertaking and one which requires an enormous amount of energy, time and preparation. I am sure that the students are relieved to have completed this part of the course. Only the reading, writing and listening elements to go!

And finally, we welcomed our external PE moderator into school on Wednesday who observed our Year 11 GCSE PE students as they showcased some of their sports and then moderated our grades. I am always so impressed with how **talented our students** are and, my hope is that the marks awarded reflect their aptitude and efforts. Again, thank you to Mrs Morgan and the PE Department for their organisation and leadership of this day.

Next week, is a very important week for Year 10 as they undertake their 'Spoken Language' assessments in English. They will be reflecting upon their work experience placements and exploring relevant questions around this. Speaking in front of a group can sometimes be a daunting task, so I would like to **wish them all the best of luck** for this. Parents/carers can support this process by listening to their child rehearse their speech at home and ensuring that they have prepared their cue card (they are permitted to bring one cue card with notes on it) fully for the assessment. Good luck to all the students and thank you to the English Faculty for their hard work on this!

Thanks again.

# Year 10 Work Experience

### Hornchurch FC Ticket! Mr Sammons, 2 i/c PE

Mr Sammons has awarded our Hornchurch FC reward ticket to Ronnie and Finley for their dedication to school sport.

#### Well done boys!

### **Student Stories—Joshua F Year 8**

I always enjoy hearing stories from our students about what they get up to outside of school and especially after a school holiday as they seem to fit so much in!

I was particularly interested to hear from Joshua F this week! He told me all about a recent flying experience he had! He shared some great photographs with me!

There is even one of him flying over Queen's

### **Going Above and Beyond**

I would like to say a big thank you to Mrs Moore for driving the school mini-bus to Thorpe Park last week so our SEN students could enjoy a quieter

mode of transportation rather than one of the double decker buses.

She also offered additional support throughout the day to ensure that the students had a great experience!

Thank you Mrs Moore! Staff like you make Hall Mead an extra special place!

### **Personalised Learning Award**

This week our 'Personalised Learning Award' goes to Marcus.

Marcus has been working outstanding this week, working extremely hard in all his lessons being polite and showing kindness to others.

In his spare time, Marcus loves showing his creative skills.

Here is a drawing of Mario and Luigi!

Keep up the good work Marcus!

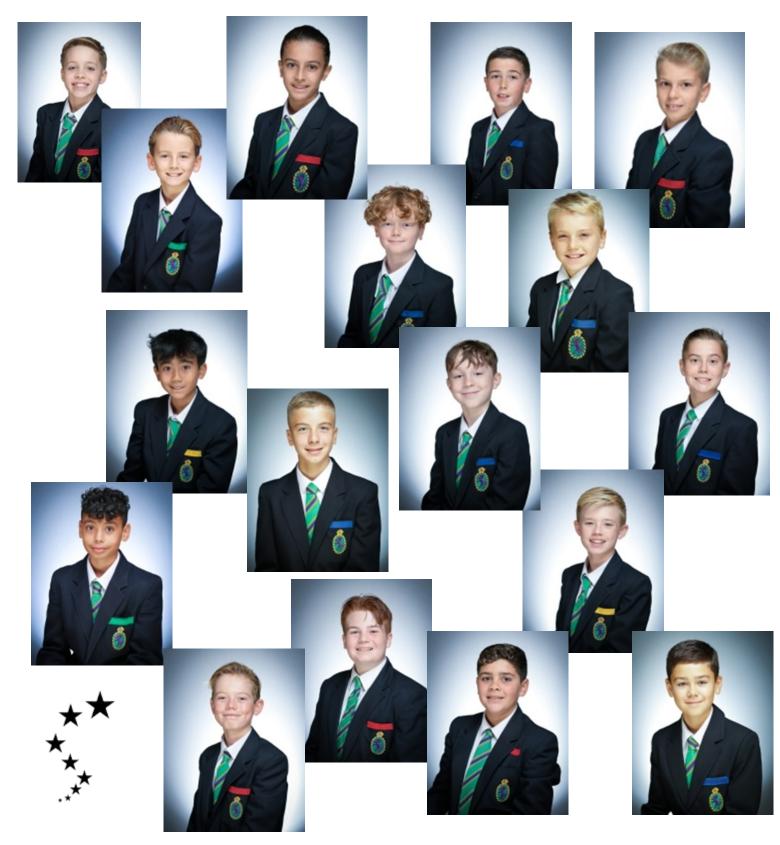

# Sporting Successes

Year 8 Football Team

Good luck to Mr Sammons' Year 8 football team who have qualified for the Havering Cup final and will be playing their match on Tuesday 30th April!

#### Mr Leslie's Year 11 Football Team

Our Year 11 football team did us proud on Friday night as we recorded a 2-1 victory against St Edward's to reach the final of the Havering Schools' Cup!

Despite missing our influential captain, James S (who was on Colchester United duty) the boys stuck together to come out victorious through a last gasp 30 yard free-kick from Connor J.

Caleb L scored the first after 10 seconds (may even have been 5). The boys have worked incredibly hard this year and have shown great commitment to reach this stage despite all of the other commitments that they have going on in and outside of school. Mr Leslie is so proud of them!

The final will take place on **Tuesday 30th April at Barking Football Club**, **Mayesbrook Park, RM8 2JR**. The kick-off time is **7pm**.

Entry to the ground is priced at £3 for individual spectators or £5 if you bring someone with you. The more support the merrier!

# <u>Community Outreach</u> <u>Big Help Out Day</u>

Communi-Tea Circle is a local based charity operating in the Upminster and Hornchurch area dedicated to combating loneliness among the elderly. They organise regular tea gatherings and pub dinners to create a warm and welcoming environment for members to foster connections and reduce social isolation.

They rely on volunteer hosts and drivers to open their homes as meeting places and to transport individuals to and from each event.

Loneliness is a prevalent issue affecting many elderly individuals in our community. The absence of social interaction can have detrimental effects on their mental and physical well-being.

Communi-Tea Circle recognises the importance of human connection and believes that a simple cup of tea can make a significant difference in someone's life.

Communi-Tea will be hosting a tea gathering at the school on our Big Help Out Day. We will be inviting elderly residents to attend this to connect with one another and our school community. Further details to follow.

### Communi-Tea Circle

Communi-Tea are hosting a charity pub quiz on Monday 29th April 2024.

Tickets for the charity quiz are now on sale! They sold out last year and so please purchase your tickets asap.

Teams consist of 4, 5 or 6 and tickets included a pub meal and quiz entry for £20 per person. There will be some fantastic prizes to be won!

The quiz will start at 7pm, and there is the option of dining at 6.30pm or in the interval at 8.30pm. Once all tickets are sold, we'll be in touch to take your preference.

To **<u>purchase tickets</u>**, please click the link to be directed to their website and follow the quiz link at the bottom of the page. Please don't forget to add gift aid!

If you can purchase for your whole team that would help with admin, but we can accept individual ticket purchases too.

It will be a night of fun and food and all while supporting your local community.
